## MOTHER'S

FRIEND.

The time has come at less when the terrible agony incident to this very critical period in a woman's life can be avoided. A distinguished physician, who passed the greatest portion of his life (forty-four years in this branch of practice, left to child-bearing woman this priceless legacy and life-saving appliance, "THE child-bearing woman this priceless legacy and life-siving appliance, "THE MOTHERS FRIEND," and saving appliance, "THE MOTHERS PRIEND," and to-day there are thousands of the best women in our land who, having used this wonderful remedy before confinement, rise up and call his name blessed.

We receive letters from every section of the country thanking us for placing this preparation in the reach of suffering woman. One lasty from North Carolina writes us that she would like to thank the proprietors on her knees for bringing it to her notice, as in a previous confinement side had two doctors, and they were compelled to use chloroform, instruments, etc., and she suffered almost death; but this time she used "MOTHERS" FRIEND," and her labor was short, quick, and almost like magic, Now, why should a woman suffer when she can avoid 11.7. We can prove all we claim by laing subscases, and anyone interested can call, or have their impalants do so, at our office, and see the original letters, which we cannot publish.

This remedy is one about which we cannot abblish certificates, but it is a most wonder at liminent to be used after the first two of
